

CALL FOR EXPRESSION OF INTEREST: Supply of Items for Pig farming in Kaduna State

ActionAid (AA) Nigeria is seeking the services of a vendor to supply livelihood items for pig farming to youth and women cooperatives in Kaduna State under Phase III project System and Structure Strengthening Approach against Radicalisation to Violent Extremism (SARVE III) in Kaduna State.

AA Nigeria is an affiliate of ActionAid International, which is a global alliance of organizations working towards achieving a world without poverty and injustice in which every person enjoys the right to a life with dignity. As a large and visible development organisation, we work in more than 40 countries in Africa, Asia, Europe, and America. Our expertise lies in community-led approaches to development and working through partnerships with the poor and other grassroots organisations.

Programme Overview

The livelihood empowerment programme strives to expand food security, provide Job, reduce vulnerability among youth and women and enhance resilience through vocational training, safe spaces and capacity strengthening. Importantly, this aims to build capacity of youth and women through provisions of seed grant for self-reliant and reduce vulnerability to violence extremism.

It is on this vein, towards supporting communities to build resilience against violent extremism, AAN is in partnership with other relevant stakeholders to tackle radicalisation to violent extremism in Nigeria but with a specific focus on Kaduna and Kano States, through System and Structure Strengthening Approach Against Radicalization to Violent Extremism (SARVE III) Project.

SARVE III is a 36-month project (January 2022 - December 2024) funded by Global Community Engagement and Resilience Fund (GCERF) to establish and consolidate existing structures and practices within the context of prevention and response framework in project communities, among youth and women groups to tackle violent extremism and foster

peaceful co-existence.

SARVE III project aims to achieve the following outcomes:

- Outcome A: Decrease vulnerability of at-risk young men and women.
- Outcome B: Strengthen community systems and structures to address violent extremism.
- Outcome C: Improve enabling environment for preventing violent extremism.
