

AFRICAPLAN FOUNDATION

REQUEST FOR PROPOSAL (RFP): HACKATHONAFRICA FACILITATOR

Introduction:

AfricaPlan Foundation is a US-based philanthropy focused on providing technology career pathways to underprivileged youth in Nigeria. HackathonAfrica program is AfricaPlan

Foundation's flagship program.

HackathonAfrica is a dynamic initiative committed to fostering innovation and skill development within the software development community. The only program of its kind in Nigeria, HackathonAfrica is designed as an immersive and fully residential experience, aimed at creating an environment that maximizes learning, collaboration, and networking. We are excited to invite experienced and passionate software development professionals to be a part of this transformative journey
