INVITATION TO BID (ITB) FOR THE RECONSTRUCTION OF DOUBLE CELL BOX CULVERT IN GIREI LGA OF ADAMAWA STATE UNDER THE STABILIZATION AND RECONCILIATION (STaR) IN THE LAKE CHAD REGION PROJECT, PHASE II, FINANCED BY KfW ON BEHALF OF THE FEDERAL REPUBLIC OF GERMANY (BMZ No 2021 40 754)

RFP NO.: CRS-STAR-NE-2024-002

PROJECT Executing AGENCY: CATHOLIC RELIEF SERVICES-UNITED STATES CONFERENCE OF CATHOLIC BISHOPS

Catholic Relief Services United States Conference of Catholic Bishops (CRS) is an international non-governmental organization supporting relief and development work in over 99 countries around the world. CRS programs assist persons based on need, regardless of creed, ethnicity, or nationality. CRS has operated in Nigeria since the year 2000 and has implemented different projects in 19 states of the federation.

For over nine years, the Lake Chad Basin (LCB) crisis-impacting Northeast (NE) Nigeria, the Lake Region of Chad, the Region of Diffa in Niger, and the far North Region of Cameroon – has exacerbated existing vulnerabilities, torn apart communities and families, constrained livelihood opportunities, destroyed infrastructure, and dismantled local government's ability to respond to the needs of its citizens. To address the myriad of inter-related and chronic factors inhibiting the recovery of resilient, rebuilt communities in the L.C.B., CRS was awarded the three-year Stabilization and Reconciliation in the Lake Chad Region (STaR) Project, phase II, which is financed by the German Ministry for Economic Cooperation and Development (BMZ) through KfW (German Financial Cooperation).

CRS Nigeria Program invites sealed bids from eligible Applicants for the above subject. The Supplier(s) will be selected in accordance with the procedures described in KfW Guidelines for the Procurement of Consulting Services, Works, Good, Plant and Non-Consulting Services in Financial Cooperation with Partner Countries, available online
