

## CATHOLIC RELIEF SERVICES (CRS)

### REQUEST FOR QUOTATION (RFQ) FOR THE SUPPLY OF INVERTER SYSTEMS

Catholic Relief Services (CRS) is an international non-governmental organization supporting relief and development work in over 99 countries around the world. CRS programs assist persons on the basis of need, regardless of creed, ethnicity or nationality. CRS works through local church and non-church partners to implement its programs, therefore, strengthening and building the capacity of these partner organizations is fundamental to programs in every country in which CRS operates. CRS has worked in Nigeria for more than 25 years. Through local partners, CRS has implemented programs in 24 of the country's 36 states, demonstrating the agency's extensive grassroots network and significant capacity to reach the rural poor. Focusing on agriculture, emergency response and recovery, and health, CRS is helping to strengthen health care systems, Catholic Church partners, other community-based organizations, and government institutions. CRS's current projects are improving the lives of more than 1.4 million Nigerians.
