Financing Agreement reference: 5050200001301

Project ID No.: P-NG-E00-014

This Request for Expression of Interest follows the General Procurement Notice (GPN) for this project that appeared on the African Development Bank Group's Internet Website (www.afdb.org) on 4 April, 2022.

The Federal Government of Nigeria has received financing from the African Development Bank toward the cost of the Nigeria Urban Water Sector Reform and Akure Water Supply & Sanitation Project and intends to apply part of the agreed amount of this loan to payments under the contracts for Consultancy Services for the Preparation of Water Supply & Sanitation Master/Investment Plan in Akwa Ibom, Borno, Nasarawa, Niger, Ogun, Osun & Zamfara States.

The scope of services under the assignment include:-

- To develop a water supply and sanitation master plan that will detail the capital projects needed for the systems planning and expansion to meet the short, medium and long-term water supply and sanitation demand sufficient to serve the urban population of

the 7 State Water Agencies (SWAs).

- The Plan should be tailored towards achieving:

- (i) Universal access to safe drinking water (by 2030 (Short term) or to be adjusted as appropriate);

- (ii) Universal basic sanitation (by 2030 (short term) or to be adjusted as appropriate);

- The Plan should include strategies, and, subsequently, identification of priority programs and projects (for the short, medium and long-term); and

- The Plan shall integrate the water supply, and sanitation sub-sectors into a single roadmap and provide the umbrella framework linking all other initiatives relating to the WSS, such as the National Water Supply and Sanitation Policy (NWSSP).

The master/investment plan has been packaged into seven assignments to be completed in six-month time from commencement. The assignments will be implemented in seven States and recommendations of the assignment will be implemented by the respective State Water-Implementing Agencies as indicated below:
