

Giusta Health Foundation, a faith-based non-profit non-government health organization is dedicated to providing cutting-edge solutions to public health challenges in health systems, primary health care, global health security, and at the intersection with climate change. We work with policy makers, multisectoral health-oriented partners/forums, healthcare providers/recipients and communities to improve the outcome of public health endeavors in/beyond Nigeria. We also lead teams to conduct healthcare outreaches among rural and displaced populations.

**Title: Express Interest to Prequalify for Selection as a Community-Based Organization for Implementing a Proof-of-concept Project**

**Locations:** Kano and Nasarawa

**Details**

- Giusta Health Foundation is inviting Community-Based Organizations (CBOs) / Civil Society Organizations (CSOs) based in Nasarawa and Kano states for pre-qualification towards the implementation of the IHSICC project in Kano and Nasarawa States.
- Selected CBOs/CSOs will work in target communities to encourage the uptake of technology that will help mitigate the risks of water-borne diseases during episodes of flooding. To be eligible for consideration, interested organizations must provide the following details.
