

## MANAGEMENT SCIENCES FOR HEALTH (MSH)

### REQUEST FOR EXPRESSION OF INTEREST

#### REOI Title: PRINTING OF HMIS, SMC TOOLS AND LOGISTICS/HAULAGE SERVICES

Management Sciences for Health (MSH), a global health non-profit organization, uses proven approaches developed over 40 years to help leaders, health managers, and communities in developing nations build stronger health systems for greater health impact. We work to save lives by closing the gap between knowledge and action in public health. Since its founding in 1971, MSH has worked in over 150 countries with policy makers, health professionals, and health care consumers to improve the quality, availability and affordability of health services. Working with governments, donors, non-governmental organizations, the private sector, and health agencies, MSH responds to priority health problems such as HIV & AIDS; tuberculosis; malaria; maternal, new-born and child health; family planning and reproductive health; and chronic non-communicable diseases such as cancer, diabetes, and lung and heart disease. Through strengthening capacity, investing in health systems innovation, building the evidence base, and advocating for sound public health policy, MSH is committed to making a lasting difference in global health.

MSH Abuja Country Office hereby, invites reputable and qualified printing Companies that are interested to provide printing services for Health Management Information System (HMIS), Seasonal Malaria Chemoprevention (SMC) Tools and Logistics/Haulage Services. A brief description and quantities are provided below.
