

MANAGEMENT SCIENCE FOR HEALTH (MSH)

US. PRESIDENT'S MALARIA INITIATIVE

TO: ALL POTENTIAL NGO GRANTEEES WORKING IN ZAMFARA STATE.

**SUBJECT: REQUEST FOR EXPRESSION OF INTEREST UNDER USAID CONTRACT
NO. 72062018D00002/ 72062020F00008 (TO04) FOR PUBLIC HEALTH FACILITY
MONITORING AND CLINICAL MENTORING ON MALARIA CASE MANAGEMENT,
DATA MANAGEMENT AND MALARIA IN PREGNANCY IN ZAMFARA STATE.**

USAID awarded the US President's Malaria Initiative for States (PMI-S) Project to Management Sciences for Health, Inc. (MSH) in June 2018. The PMI-S Project is requesting expressions of interest (REOI) from qualified *organizations for public health facility monitoring and Clinical mentoring on malaria case management, data management and malaria in pregnancy in Zamfara state*. Private, non-profit organizations including Community – based Organizations (CBOs) and Non-governmental organizations (NGOs) that meet the prequalification criteria set forth in this REOI may apply for funding. It is expected that the USAID PMI-S Project will award a grant for Zamfara state for a 12-month period by May 2024.

Organizations that are registered entities, and have worked with the health sector in Zamfara state -Nigeria are eligible to apply. Applicants that are successful in the Pre-Qualification stage will receive the Request for Application (RFA).

Organizations interested in pre-qualifying to receive the RFA, must submit the following documentation along with the completed Pre-qualification questionnaire:

- (1) Detailed Company Profile with registered address, functional email, telephone numbers and point of contact for the organization, organogram and CVs of key staff
- (2) Evidence of valid and active company registration (i.e., Certificate of incorporation with CAC, form CAC7 & CAC2) that substantiates the legal character/registration of the

entity in Nigeria.

- (3) Evidence of payment of tax (tax clearance certificate) for the last three years.
 - (4) Verifiable evidences of three (3) similar work/activities successfully executed or on-going in the North West zone.
 - (5) Recommendation Letter from three reputable organizations attesting to satisfactory performance of similar services provided. (This should be consistent with the documents listed in point 4 above).
- Contact person, email address and phone number should be provided on the recommendation letter.
- (6) Completed Pre-qualification questionnaire.

Organizations must send an email to ng-grantsapplication@msh.org requesting the Prequalification questionnaire no later than **5:00PM (Nigeria Time) 26 February, 2024.**

Responses to this REOI containing the required documents and prequalification questionnaire must be received via this email address ng-arantsapplication@msh.org **not later than 5:00PM (Nigeria Time) 4 March, 2024.**

Organizations must clearly mark their submission: PMI-S REOI for public health facility monitoring and Clinical mentoring on malaria case management, data management and malaria in pregnancy in Zamfara state.

All Submission should be addressed to:
