GOODS & SERVICE PROVIDERS PREQUALIFICATION.
CALL FOR EXPRESSION OF INTEREST.**

MÉDECINS SANS FRONTIÈRES (MSF) is an International Independent non-governmental humanitarian medical organisation offering assistance to populations in need, without discrimination based on ethnic, religious or political affiliation in contexts of epidemic, endemic, natural disaster and conflict. In Nigeria we are operating activities in Katsina, Jigawa and Borno states with a head office in Abuja. To better support our activities, we require adapted logistic resources. That's why, according to the nature of activities and needs, we want to identify reliable goods and services providers in Abuja for the categories below for possible Long Term collaboration upon satisfactory & successful prequalification in the respective category.
