

REQUEST FOR QUOTE - PR12016190 - TOP END OVERHAUL OF CAT 1000 KVA GEN SET

Due September 22, 2023.

The U. S. Embassy Abuja has a requirement for a qualified and OEM certified contractor to perform a top end overhaul on the Embassy's 1000 KVA Diesel CAT Generator at the Embassy Compound Plot 1075 Diplomatic Drive, CBD Abuja as stated in the SOW.

There would not be need for a site visit for this requirement.

The evaluation criteria for this requirement will include price, technical acceptability, and past performance.

For a valid quote/proposal, please note the following:

- Relevant, professional qualifications of the firm in the type of design work required for the past five years.
 - Specialized experience and technical competence in the type of work required.
 - Demonstrated success on similar projects in terms of quality of work and compliance with schedules.
 - Capacity to accomplish work.
 - Resumes for Key Personnel
 - Knowledge of locality of project,
1. Please include performance schedule, specifications, samples/pictures/complete drawings, (where applicable), along with your proposal.
 2. All responses and proposals on this RFQ MUST be a direct reply to this email, and have the same **subject line**, copying Abujaprocurement@state.gov
 3. Deadline for offer submission is September 22, 2023.

All offerors must be registered with SAM and have the UEI Number as at the time of submitting their Offer. Interested offerors should provide every other information relevant to confirm capacity to perform the required services.

Unsuccessful offerors may not be contacted. Oral quotations will not be accepted.
