

## **THE UNITED NATIONS CHILDREN'S FUND (UNICEF)**

### **EXPRESSION OF INTEREST No. 2023/002-PRINTING**

As part of the United Nations Children's Fund (UNICEF) strategic initiative to emphasize localization and establish a robust base of printers on the African continent, we are pleased to announce an upcoming industry consultation in Nigeria.

This industry consultation is a key private sector engagement tool that aims to give Nigerian Printers a seat at the table. The primary objective is to encourage and foster the active participation of Nigerian Printers and provide a platform for communicating market information, identification of barriers and opportunities and establishing partnerships and strategic planning.

Consequently, in accordance with procurement best practice, UNICEF is calling for Expression of Interest (EOI) from qualified, interested, competent and duly established Printing Companies in Abuja and in the States where it operates to participate in the prequalification of Printers exercise
