

WANEP-Nigeria is the Nigerian Country Office of the West Africa Network for Peacebuilding (WANEP), a Sub-regional NGO with regional secretariat based in Accra, Ghana, whose mission is to enable and facilitate the development of mechanisms for cooperation among civil society-based peacebuilding practitioners and organizations in West Africa by promoting cooperative responses to violent conflicts; providing the structure through which these practitioners and institutions will regularly exchange experience and information on issues of peacebuilding, conflict transformation, social, religious and political reconciliation; and promoting West Africa's social and cultural values as resources for peacebuilding.

Request for Proposal: Agricultural Processing Machine for WANEP-Nigeria

Tender No: NIG/ABV/TEN3

Purpose / Description:

In the expansive landscape of North-West Nigeria, communities grapple with multifaceted challenges that impact the livelihoods of individuals and the sustainability of cooperatives. The region faces issues ranging from agricultural limitations due to climate variability and economic vulnerabilities stemming from insecurity.

In response to these challenges, WANEP-Nigeria through funding from donors seeks to enhance livelihoods across target communities of Kaduna and Katsina States in the North-West Region of Nigeria. A cornerstone of this intervention is the focus on agricultural value chain, including the provision of high-yield seedlings, fertilizers, and farming equipment's and tools. These initiatives are designed to increase agricultural productivity, ensure food security and income generation for both individuals and cooperatives.
